

## **Baked Goat Cheese with Peach Compote**

SERVES 4-6

### **Ingredients**

4 oz of goat cheese

1 cup of Peach Compote (recipe below)

honey, optional

Jennifer's Homemade Rosemary Flatbreads

### **Instructions**

Press the goat cheese into a small cast iron skillet or baking dish, leaving about a 1 inch well between the edge of the skillet and goat cheese.

Spoon the peach compote around the goat cheese.

Bake at 350 until the goat cheese is melted about bubbly, about 15 minutes.

You can drizzle a little honey over the top before serving or leave it plain.
