

Strawberry Basil Bellini

SERVES 8

Ingredients

2 cups of fresh strawberries

2 cups of sugar or 1 cup of agave

2 cups of water

10 fresh basil leaves

Prosecco

Instructions

In a medium saucepan, combine the strawberries, basil, sugar and water. Cook on medium heat for about 10-15 minutes until the strawberries are soft. Allow the mixture to cool completely. Blend the strawberry mixture until it's smooth and then strain it into a pitcher through a fine mesh sieve.

Pour about a ¼ cup of the strawberry mixture into a champagne glass and then fill the glass with Prosecco. Stir to combine.
